

Romantic and functional, glamour or ornate, classic yet contemporary and always original. Today, the wedding favour keeps unchanged its meaning, rising up to a tailor proposal by which bride and groom wish to leave their guests with **unique memories**.

Sambonet dedicates to the young lovers the opportunity to create their **own "tailor-made" favours** combining quality and design with style and sophistication – all in a minimal and elegant packaging. In three simple steps it is possible to choose **your own piece of cutlery** – among dessert forks, dessert or espresso spoons – **collection, finish and colour** in the well-stocked Sambonet catalogue. Thanks to the Tailor Made project it is also possible to **add the engraving** of your own initials, a specific symbol, or a special date.

Moreover, Sambonet also offers everything you need to create your own packaging: a white box with delicate embossing, a stain ribbon decorated with a love poem and, to top it off, a coordinated shopper.

Romantica e funzionale, glamour oppure bon-ton, classica ma al contempo sempre originale. La bomboniera mantiene ancora oggi il proprio significato, elevandosi a una proposta personalizzata con cui gli sposi desiderano farsi ricordare ai propri ospiti in **modo unico**.

Alle coppie innamorate Sambonet dedica la possibilità di realizzare la **propria bomboniera "su misura"** che alla qualità e al design degli oggetti, unisce stile e raffinatezza – il tutto in un packaging minimal ed elegante. In tre semplici passaggi è così possibile **scegliere la propria posata** – tra forchettine dolce, cucchiaini dessert o caffè – **collezione, finitura e colore** all'interno dell'ampissimo catalogo Sambonet. Nella proposta Tailor Made è inoltre possibile anche **aggiungere l'incisione** delle proprie iniziali, un simbolo particolare oppure la data di un giorno speciale.

Sambonet offre infine tutto l'occorrente per realizzare la propria confezione: una candida scatola dalla sottile texture in rilievo, un nastro di raso finemente decorato con una poesia d'amore e, a completamento, una shopper coordinata.
